Sun Life Financial equity-indexed annuities are issued by Sun Life Assurance Company of Canada (U.S.). They are designed for long-term retirement planning and are not a substitute for any equity investment. Interest earnings are linked, based on participation rate, to the performance of a major index (which excludes dividend income). Equity-indexed annuities also offer other benefits such as a return of premium death benefit and income options. **Please request a Sales Kit and Product Manual for more information.**
